

Badgerbrook Primary School

Bad Weather Information

In the event of heavy snowfall or icy conditions it will not be possible to keep all routes and paths around school clear. Please find overleaf two plans of the school grounds which shows the paths which the Premises Officer will attempt to clear and grit.

In most situations he will use **Option 1**. In these circumstances we will ask all children to use the entrances off the main playground. It may be necessary to fence off part of the playground if it has not been possible to clear or grit this area. This is for the safety of all children and those bringing them to school.

However, if the Premises Officer feels it is more appropriate, he will clear paths as in **Option 2** and we will ask all children to use the main entrances on the other side of the building. In this case school staff will be outside when you come to school to direct you to the appropriate route.

On occasions it may be necessary to restrict the routes used for the children to leave the building at the end of the day. We will try to give you as much notice as possible so you know where to meet your child.

Parents are reminded to listen to BBC Radio Leicester bulletins (104.9 FM) or to look at the BBC Radio Leicester website for details of school closures - <http://news.bbc.co.uk/local/leicester/hi/>

IMPORTANT: Press F5 on your keyboard, refresh or close your internet browser and re-open the website to make sure you have the latest list latest list.

If the school is closed, or if the start and finish times have been altered, the information will be on the Badgerbrook website by 8.00am. www.badgerbrook.org.uk and we will send emails or texts to parents.

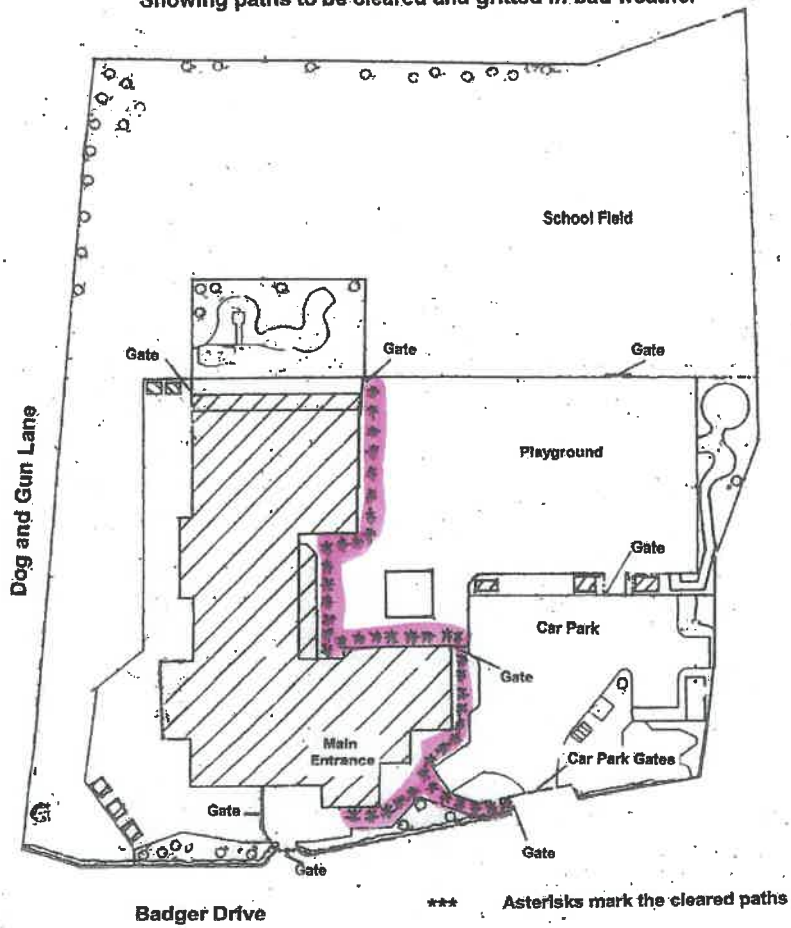

We will try to give you as much notice of cancellations to after school activities etc but please ensure that we have up to date contact numbers in case we have to ring you during the day.

Please look at the plans overleaf and be prepared for changes to normal routines when the weather is bad.

Option 1

Plan of Badgerbrook Primary School
Showing paths to be cleared and gritted in bad weather

Option 2

Plan of Badgerbrook Primary School
Showing paths to be cleared and gritted in bad weather
