

Badgerbrook WAC Newsletter Autumn Term 2023

WELCOME

Welcome back!

We hope you all had a wonderful summer and are ready to start a new term of learning, fun, and adventures!

Our WAC Aims

- A safe and inclusive environment for all children
- Welcoming, fun, and caring
- Healthy food to support children's growth and learning
- Celebrate everyone

Since we last saw you....

- We have changed the routine for collection and drop off of children - please see the next page
- We have completed GDPR training and learned how to apply this in practice
- We have attended training on Engaging Environments and Positive Relationships with Discovery Trust
- We had a good sort out of the WAC room and it's had a good clean ready for welcoming the children back
- We planned a new healthy menu (Please see attached)

*NEW Collection and Drop off routine from WAC

From Tuesday 29th August, children are to be dropped off and collected, by their parents/carers from the WAC room **NOT** the gate as previously. Please buzz the gate as usual, and a member of the team will enable you to enter the playground and bring your child up to the coloured fence where we will be able to greet you. Collection will also be from the coloured fence.

This ensures our team are with the children at all times.

Payment for WAC Sessions

Payment for your child's WAC sessions will be possible in the next few days via the school parent pay system. Vouchers etc will still be able to be used. The office team and myself are working hard to get this up and running as soon as we can. Thank you for bearing with while the team had their summer break.

Thank You

Thank you to everyone that returned the Parental Agreement over the summer holidays. Very much appreciated! Please find this attached if you haven't completed it. Please return to jvenables@badgerbrook.leics.sch.uk
